Overall Length:

6.500 inches

Overall Height:

2.500 inches

Overall Width:

7.000 inches

Usage Design:

Short-term measurements of very low (ppb) concentrations in areas subject to explosion hazards

Special Features:

Includes battery pack; charging adapter and carrying strap (leather)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
