Overall Height:

10.940 inches

Overall Width:

8.500 inches

End Application:

Single point gas monitor

Voltage Rating:

Between 100.0 volts and 130.0 volts

Err Default:

Err default

Cable:

Not included

Special Features:

6.5" depth, 6.2 lb, recorder, alarms, displays, controls

Functional Description:

Continuous monitoring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T132-a
