Overall Length:

16.000 inches

Overall Height:

9.000 inches

Overall Width:

5.000 inches

Voltage In Volts And Current Type:

12.0 dc

Special Features:

Detects all common narcotics and explosives including heroin, cocaine, rdx, petn, tnt, dynamite and semtex; automatic calibration; self diagnostic; plugs into a cigarette lighter; portable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
