Overall Height:

18.000 inches

Overall Width:

16.000 inches

Case Material:

Metal

End Application:

Monitor, cbn monoxide model 3800

Voltage Rating:

120.0 volts

Product Name:

Inavy)monitor, cbn monoxid

Special Features:

Depth: 7in; nema 4 enclosure; signal output: sourcing 4-20ma current, 0-10vdc; audible alarm; operating temperature: 0 to 50 degrees celsius; response time: updated reading every 7 seconds; alarm relays: 3 relays at 8amps resistive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
