Overall Length:

6.500 inches

Overall Height:

1.250 inches

Overall Width:

3.500 inches

Case Material:

Any acceptable

End Application:

7360-01-496-2112, food sanitation center (fsc-2)

Detecting Element Type:

Any acceptable

Detecting Element Detachability:

Integral

Voltage Rating:

Between 8.0 volts and 16.0 volts

Product Name:

Carbon monoxide alarm

Special Features:

Audible alarm 85 db at 10 ft.; operational temp -40 degrees f , 150 degrees f ; current draw 0.06 amps; long life, self cleaning sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
