Unpackaged Unit Length:

300.000 millimeters

Unpackaged Unit Width:

135.000 millimeters

Unpackaged Unit Height:

165.000 millimeters

Special Features:

Battery operated and portable, flexible options for customized use utilizes gelatin membrane filter method

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
