Product Name:

Chromo 4 real time pcr detection system

Special Features:

Chromo 4 four color real time pcr detector, includes optical housing, photonics shuttle, 96-well sample block, analysis software (complete system requires dna engine or dyad disciple dual-bay thermal cycler chassis)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
