**Product Name:**

Chromo 4 real time pcr detection system

**Special Features:**

Chromo 4 four color real time pcr detector, includes optical housing, photonics shuttle, 96-well sample block, analysis software (complete system requires dna engine or dyad disciple dual-bay thermal cycler chassis)

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23800
