Overall Length:

10.500 inches

Overall Height:

9.500 inches

Overall Width:

7.500 inches

Case Material:

Plastic

Voltage Rating:

6.0 volts

Special Features:

Continuous monitoring; rapid response and recovery; simultaneous sniffing for both radon and thoron

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
