#### **Overall Length:**

10.500 inches

# **Overall Height:**

9.500 inches

## **Overall Width:**

7.500 inches

#### **Case Material:**

Plastic

# Voltage Rating:

6.0 volts

#### **Special Features:**

Continuous monitoring; rapid response and recovery; simultaneous sniffing for both radon and thoron

#### Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

#### Fiig:

T132-a
