Detecting Element Type:

Solid state

Preamplifier:

Not included

Product Name:

Compact, low flow air sampling pump

Special Features:

Dual mode auto constant flow or constant pressure control; flow fault indicator light; pocket-sized; designed for flow from 1 cc/min to 350 cc/min

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
