**Case Material:**

Metal

**Detecting Element Type:**

Any acceptable

**Detecting Element Detachability:**

Detachable

**Product Name:**

Continuous monitor for vocs, inorganic and fixed gases

**Special Features:**

Wall-mounted nema enclosure; response time less than one second; linear detection range from 0.1 to 3000 ppm; automatic calibration; digital led readout

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T132-a
