Hydrogen Sulfide Detector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6665-01-619-4028

Case Material:
Steel, corrosion resisting

End Application:
Sensor, hydrogen

Detecting Element Type:
Any acceptable

Detecting Element Detachability:
Integral

Product Name:

Hydrogen sulfide gas sensor

. ., a. ege.. ea...ae gae ee..e

Special Features:

0-1000ppm, lcd display

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
