Overall Length:

10.1 inches

Overall Height:

2.0 inches

Overall Width:

4.6 inches

End Application:

Detection and alarm devices

Product Name:

Detector, explosive ordnance, body

Special Features:

Includes following components battery cover and li-ion rechargeable batteries.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
