**End Application:**

Teleprobe fh 40 tg

**Radiation Type And Function:**

Gamma rays measures

**Preamplifier:**

Not included

**Photomultiplier:**

Not included

**Connector:**

Included

**Cable:**

Not included

**Product Name:**

Fhz 612 external dose rate probe

**Special Features:**

Energy range 82kev-1.3mev (time not specified); includes 2 gm's with automatic range switching

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T132-a
