End Application:

Teleprobe fh 40 tg

Radiation Type And Function:

Gamma rays measures

Preamplifier:

Not included

Photomultiplier:

Not included

Connector:

Included

Cable:

Not included

Product Name:

Fhz 612 external dose rate probe

Special Features:

Energy range 82kev-1.3mev (time not specified); includes 2 gm's with automatic range switching

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T132-a
