Overall Height:

1.500 inches

Overall Diameter:

4.250 inches

Case Material:

Plastic

Voltage Rating:

9.0 volts

Cable:

Not included

Special Features:

Electrochemical co sensor; audible alert 85db at 10 ft; red led light visual alert indicates dc power or alarm; oper temp 40 degrees to 100 degrees f; end oflife signal after 10 years

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T132-a
