Universal Medical Device Nomenclature System Code:

18455

Product Name:

Scale person weighing 0-250 lb automatic indicating w/window

Exterior Container Weight:

24.00 pounds

Exterior Container Cubic Measure:

2.00 cubic feet

Exterior Container Quantity:

6

Special Features:

Automatic indicating w/transparent window; 0-250 lb min capacity, w/1 lb graduations; platform constructed of metal and covered with a secured mat of rubber or other water resistant material; w/an outsideoperable zero adjust mechanism; perm 2 lb between 0 and 200 lb and perm 1 percent above 200 lb maximum tolerance

Intermediate Package Quantity:

1

Unit Of Issue Cube:

0.200 cubic feet

Unit Of Issue Weight:

21.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T137-a
