Overall Height:

2.500 inches

Overall Width:

1.750 inches

Current Type:

Ac or dc

Overall Diameter:

0.656 inches

Operating Temperature Range:

-54.0/+93.0 degrees celsius

External Dc Operating Voltage In Volts:

24.0 single voltage

External Ac Operating Voltage In Volts:

24.0 single voltage

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
