## NSN 6670-01-394-5277

Force-weight Load Cell - Page 1 of 1

A503e0

View Online at https://aerobasegroup.com/nsn/6670-01-394-5277

Current Type:
Ac/dc
Operating Tempurature Range:
-65.0/+200.0 degrees fahrenheit
Special Features:
Precision, medium to high profile, high accuracy load cell; highly reliable, cantilevered beam, hermetically sealed. well suited to weighing
applications in hostile environments; 2 or 3mv/v output option.
Material:
Steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
