Weighing Capacity:

3.05 grams

Sensitivity Rating:

0.001 milligrams

Product Name:

Balance analytical 3.05 grams weigh cap mt-tettler

Special Features:

Mt-5-mettler; includes pro fully automatic calibration technology, separate weighting cell, unique circular draft shield for easy access; demo balance to determine if needed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T137-c
