**National Bureau Of Standards Class:**

F

**Individual Unit Weight Material:**

Steel, corrosion resisting

**Denomination:**

50.0 grams

**Product Name:**

Weight metric cylindrical stainless steel 50g

**Special Features:**

Cylindrical, metric, nist class f, 1" height, 3/4" diameter

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T137-b
