National Bureau Of Standards Class:

F

Individual Unit Weight Material:

Steel, corrosion resisting

Denomination:

50.0 grams

Product Name:

Weight metric cylindrical stainless steel 50g

Special Features:

Cylindrical, metric, nist class f, 1" height, 3/4" diameter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T137-b
