End Application:

Belgium army

Product Name:

Metler toledo ax balance

Special Features:

load of 110 grams; load, fine range 31 grams; readability of 0.1 mg; readability, fine range of 0.01 mg; linearity of 0.15 mg; interface update rate of 7/second; dimensions (wxdxh) in mm is 241x505x293 with 80 mm x 80 mm weighing pan

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T137-c
