**End Application:**

For scale calibration

**Component Quantity:**

1

**Product Name:**

Troemner weight

**Special Features:**

Highly polished alloy 8 stainless steel weight; class e2; 20kg capacity; 1 piece construction with no adjusting cavity with a tapered neck for easy handling

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
