End Application:

6635-01-582-3197, soil test set

National Bureau Of Standards Class:

6

Individual Unit Weight Material:

Steel, corrosion resisting

Denomination:

200.0 grams

Product Name:

Individual calibration weight

Special Features:

Gram to ounces weight is 7.054792 ounces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T137-b
