Body Cross-sectional Shape:

Triangular

Overall Length:

12.750 inches

Scale Unit Of Measure Inscription:

Inches and yards

Facet Type:

Relieved

Map Ratio:

62500

Sheath:

Included

Material:

Plastic and wood

Material:

Plastic and wood

Specification Or Standard:

A composition and 1 grade and a number and 6 shape and b size and e style and vii scale type and 5 sheath type and scale graduation 2

Departure From Cited Document:

Scale, plotting, triangular, boxwood, w/sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T144-p
