End Application:

2350-01-458-7318

Product Name:

Sight window

Special Features:

Lens glass; body plated steel; fluid temp maximum 225f max; working pressure 12-18 psig; maximum operating pressure 50psig;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T271-a
