Overall Length:

35.500 inches

Overall Height:

23.500 inches

Overall Width:

27.500 inches

Gravity Unit Range:

+10.0/+61.0

Special Features:

Vibration test shaker; 750 lb force output; attains 61 g acceleration with 1 lb load and 10 g with 64 lb load; table blanced turnnion mounting; frequency range 2 to 500 hz; electrodynamic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T145-c
