Liquid Quantity Transmitter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6680-00-161-8589

Terminal Quantity:
8
Terminal Type:
Screw stud
Overall Length:
8.500 inches
Overall Height:
2.500 inches
Overall Width:
3.250 inches
Attachment Feature Quantity:
4
Electrical Connection Quantity:
8
Mechanical Connection Quantity:
Mechanical Connection Quantity: 4
4
4 Mechanical Connection Type:
4 Mechanical Connection Type: External tube
4 Mechanical Connection Type: External tube Mounting Method:
Mechanical Connection Type: External tube Mounting Method: Bracket
Mechanical Connection Type: External tube Mounting Method: Bracket Shelf Life:
Mechanical Connection Type: External tube Mounting Method: Bracket Shelf Life: N/a
Mechanical Connection Type: External tube Mounting Method: Bracket Shelf Life: N/a
Mechanical Connection Type: External tube Mounting Method: Bracket Shelf Life: N/a Unit Of Measure:
Mechanical Connection Type: External tube Mounting Method: Bracket Shelf Life: N/a Unit Of Measure: Demilitarization:
Mechanical Connection Type: External tube Mounting Method: Bracket Shelf Life: N/a Unit Of Measure: Demilitarization: No
