**End Application:**

Liquid flowmeter, model no. 10a2735c

**Special Features:**

0.750 in. Dia; bead guide; 10.000 in. Scale

**Reference Number Differentiating Characteristics:**

As differentiated by direct reading per ed 10-154 for 15.4 gpm liquid specific gravi type 1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510c0
