End Application:

Liquid flowmeter, model no. 10a2735c

Special Features:

0.750 in. Dia; bead guide; 10.000 in. Scale

Reference Number Differentiating Characteristics:

As differentiated by direct reading per ed 10-154 for 15.4 gpm liquid specific gravi type 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510c0
