End Application:
Liquid flowmeter, model no. 10a2735c
Special Features:
0.750 in. Dia; bead guide; 10.000 in. Scale
Reference Number Differentiating Characteristics:
As differentiated by direct reading per ed 10-154 for 15.4 gpm liquid specific gravi type 1
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
