**End Application:**

A-e32r14

**Usage Design:**

W/fuel service unit

**Indicator Type:**

Dial

**Scale Type:**

Stationary

**Mounting Method:**

External thread

**Float Protective Case:**

Not provided

**Float Guide Wire:**

Not provided

**Criticality Code Justification:**

Feat

**Special Features:**

R dimension equals 9 3/4 in., w/connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
