End Application:

A-e32r14

Usage Design:

W/fuel service unit

Indicator Type:

Dial

Scale Type:

Stationary

Mounting Method:

External thread

Float Protective Case:

Not provided

Float Guide Wire:

Not provided

Criticality Code Justification:

Feat

Special Features:

R dimension equals 9 3/4 in., w/connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-g
