Overall Length:

7.620 inches

Overall Height:

5.600 inches

Overall Width:

3.370 inches

End Application:

C-130 acft

Product Name:

Relay totalizer group

Special Features:

Ambient temperature range -67 to 158 degrees f; mounting 4 0.203 diameter holes for no. 10 machine screws in bottom of the shock mounting assembly; operating voltage 22.5 to 30 vdc

Reference Data And Literature:

T.O. 519-2-3-3 and -4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
