Terminal Quantity:

2

Terminal Type:

Connector, receptacle

Overall Length:

12.000 inches

Overall Height:

12.000 inches

Actuation Method:

Float

End Application:

M880 cargo truck

Electrical Connection Quantity:

2

Electrical Connection Controlling Agency:

Chrysler corporation

Mounting Method:

Flange

Float Material:

Brass

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
