**Overall Length:**

0.340 inches

**Overall Height:**

4.500 inches

**Overall Width:**

1.500 inches

**End Connection Type:**

Flanged, plain single end

**Furnished Data:**

Liquid level

**Data Furnishing Method:**

Inscribed full-add

**Special Features:**

Eight 0.200 in. Diameter front mtg holes located three per side and one per end, equally spaced 1.035 in. Between centers

**Material:**

Aluminum alloy

**Media For Which Designed:**

Hydraulic fluid and oil

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A43400
