Overall Length:

5.540 inches

Overall Width:

Between 1.090 inches and 1.150 inches

Electrical Connection Type:

Connector receptacle

Float Quantity:

1

Mounting Method:

Thread

Mounting Position:

Vertical

Contact Arrangement:

Dpst

Liquid Type For Which Designed:

Lubricating oil

Float Effective Travel:

0.180 inches

Mounting Dimensions:

7/8-14 unf-3a thd body

Tank Insertion Length:

4.000 inches

Special Features:

Float position: down

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
