Overall Length:

6.150 inches

Usage Design:

W/compressor crankcase

Distance From Rod End To Handle:

5.400 inches

Rod Width:

0.180 inches

Rod Thickness:

0.060 inches

Distance From Rod End To Scale Graduation:

0.620 inches

Scale Inscription:

Full and refill

Material:

Aluminum alloy and steel

Material:

Aluminum alloy and steel

Surface Treatment:

Anodize and phosphate

Surface Treatment:

Anodized and phosphate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-j
