Terminal Type:

Wire lead

Overall Length:

55.250 inches

Current Type:

Dc

Overall Diameter:

10.000 inches

Attachment Feature Quantity:

1 and 8

Actuation Method:

Float

End Application:

Delaval co, liquid storage tank

Voltage Rating:

Between 10.0 volts and 12.0 volts

Electrical Connection Quantity:

1

Mounting Method:

Flange and hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
