**Overall Length:**

12.125 inches

**Inlet Connection Type:**

Threaded

**Accessory Components And Quantity:**

Lighting-explosion-proof (class d, div 1) with plastic wedge diffuser

**Design Type:**

Case

**Unit Type:**

Mounted

**Construction:**

Armored

**Mounting Method:**

Direct line

**Carrying Handle:**

Not included

**Base:**

Not included

**Float Material:**

Sapphire

**Maximum Working Pressure:**

3000.0 pounds per square inch

**Inlet Connection Size:**

0.250 in. Pipe thd

**Inlet Connection Position For Which Designed:**

Horizontal

**Inlet Connection Device Type:**

Stationary

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
