Thread Size:

1-1/2-11

Screw Thread Series Designator:

Npt

Indicator Type:

Dial

Scale Calibration:

Empty, 1/4, 1/2, 3/4, full

Scale Type:

Stationary

Scale Smallest Increment:

0.062 units

Mounting Method:

External nptf connection

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
