Overall Length:

5.750 inches

Overall Width:

3.375 inches

Electrical Connection Type:

Connector plug

Float Quantity:

1

Operating Temperature Rating:

180.0 degrees fahrenheit

Mounting Method:

Bracket

Mounting Position:

Vertical

Special Features:

Float position: down

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T109-d
