Terminal Quantity:

3

Terminal Type:

Stud

Overall Length:

56.000 inches

Current Type:

Dc

Attachment Feature Quantity:

1

Actuation Method:

Float

Voltage Rating:

Between 10.0 volts and 12.0 volts

Electrical Connection Quantity:

1

Mounting Method:

Bracket

Resistance In Ohms:

27.000 per inch of indication

Float Material:

Rubber, buna-n

Float Effective Travel:

42.000 inches

Media For Which Designed:

Water

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
