Overall Length:

3.000 inches

End Application:

1430-01-360-1926 monitor

Mechanical Connection Quantity:

2

Mechanical Connection Size:

1/2 inch npt

Special Features:

End fitting 1/2 npt; normal flow range 0.025 gpm min. And 0.25 gpm max.; repeatable extended flow range 0.01 gpm min. And 0.4 gpm max; housing material 316 sst; rotor 17-4; ball bearings; shaft carbide; includes modulated carrier pickoff-material sst, ms connector, 400 degrees f max.; deisgned for liquid service; repeatability +/- 0.1 percent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
