End Application:

F101ge 102 eng serd 0518

Mechanical Connection Size:

1/2 inch

Special Features:

Material stainless steel; range 0.0015-0.01 acfm; with additional 10 point calibration to include plug-in-chip for lin-1000 linearizer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
