**Maximum Working Pressure:**

300.0 pounds per square inch

**Furnished Data:**

Liquid level

**Data Furnishing Method:**

Clear window

**Special Features:**

Ball check; 18 in. Center; screw 3/4 in. Connection; automatic

**Material:**

Copper alloy

**Media For Which Designed:**

Water

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A43400
