Overall Length:

3.375 inches

End Application:

Fuel delivery; torpedo, adcap 48

Operating Temperature Rating:

220.0 degrees fahrenheit

Liquid Type For Which Designed:

Hydraulic oil or water

Special Features:

Material and finish cres, uns s31600 passivate, astm a380

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
