**Overall Length:**

3.375 inches

**End Application:**

Fuel delivery; torpedo, adcap 48

**Operating Temperature Rating:**

220.0 degrees fahrenheit

**Liquid Type For Which Designed:**

Hydraulic oil or water

**Special Features:**

Material and finish cres, uns s31600 passivate, astm a380

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T109-d
